WHALE BONES UNCOVERED IN LEMON GROVE

PREHISTORIC? — Fossilized bones of a whale were uncovered Monday in Lemon Grove by workmen grading for a subdivision at Rex Estates on San Miguel avenue near Federal blvd.

The public relations firm for Dan Hixson, the builder of the subdivision, hurriedly called the newspapers, television stations, schools and colleges. A college student identified the fossil as being from the pelvic section of a whale from the days when the warm waters of the Pacific gently lapped at the shores of Lemon Grove.

Shown examining the whale's remains is Reggie Jones, of 3277 Harris street, Lemon Grove, who came to the diggin's with Mrs. Alice Hacker's San Miguel school's sixth grade class while laborer for the building firm looks for more bones.

SD County Water Authority to Dedicate $30 Million Aqueduct

Governor Edmund G. Brown will head the list of more than 1,000 government, water, business, and civic leaders who have been invited to the dedication of the San Diego County Water Authority's second aqueduct December 1 at Otay Lake. The announcement was made by Richard S. Holmgren, General Manager and chief engineer for the CWA.

The ceremony will begin at 11 a.m. near the outlet of the recently completed second line that brings Colorado River water to San Diego County. Eventually, Holmgren said, it will also be used to transport Fre ther River Water from Northern California as part of the distribution system envisioned by the State Water Plan approved by the voters November 8.

Ray Coyle of Chula Vista is program chairman. Among other dignitaries atending will be Harvey O. Banks, director of the State Water Resources Board; William E. Warne, director of the State Department of Agriculture; Frank A. Gibson, chairman of the County Board of Supervisors; Joseph Jensen, chairman of the Metropolitan Water District of Los Angeles, and Fred Heilbron, San Diego water pioneer and chairman of the Board of the CWA.

The steel and reinforced concrete pipe aqueduct is 94 miles long. The CWA's staff designed contracted for, and supervised construction of the southern 59 miles, which cost approximately $30,000,000. The MWD built the northern 35 miles. It will transport 180,000 acre-feet of water a year to San Diego County.

Contractors and pipe manufacturers of the second aqueduct will be hosts at a buffet luncheon following the dedication.

Two Named Winners In Bank Money Bag Contest

The sack of money at the U.S. National bank contained exactly $888.88.

A prize was offered to the person guessing the amount of money the bag contained. It was on display during the opening of the bank's new building at Broadway and Grove streets in Lemon Grove.

The prize was a 50 pound bag of coins. Two men with exactly the same guess were declared winners. They guessed the total to be $890. The winners were Maurice Kahan, delicatessen operator at 7826 Broadway, and Dr. Robert Conlin, 3298 Buena Vista street.

The fifty pound bag of coins which was to be given as a prize contained $75. Duplicate prizes were awarded.

Four Men Plead Guilty To Four L.G. Burglaries

EL CAJON—Four men entered a plea of guilty to a series of four Lemon Grove burglaries this week in El Cajon Municipal Court.

Three of the men, two of whom are brothers, admitted breaking into two Lemon Grove homes last week but denied burglarizing five others.

The other man admitted breaking into Knight's Market and a dry-cleaning establishment next door to the market.

Thomas Williams, 18, of 1853 Massachusetts ave., Lemon Grove pleaded guilty before Judge Garfield of the market and dry cleaning store charges.

Admitting two of the seven house burglaries were Allen Carl Huffman, 35, of Imperial Beach; Donald Dean Huffman, 20, of National City, and Richard Lee Lawthorn, 20, of San Diego.

Garfield set Huffman's bail at $2,000 and the other three defendants at $1,000. All will be arraigned Tuesday in Superior Court.

According to sheriff's deputies, who arrested the four, a safe was taken from one of the houses. Negotiable papers in the safe were burned.

Wrecking Yard Permit Asked Jamacha-Hwy 94

SAN DIEGO (CNS)—A public hearing on a request for a special use permit for an auto wrecking yard near the intersection of Highway 94 and Jamacha road will be held Friday morning before the County Planning Commission.

The applicant is Murrell J. Bachus. His application states that he does not intend to burn on the premises. The site is on Highway 94, about 400 feet west of Jamacha road. The area is unzoned.

$100,000.00 DEMAND SETTLED FOR $26,351

LA PRESA (CNS)—A three-week condemnation suit waged for a school site in La Presa Wednesday resulted in a verdict favorable to the La Mesa-Spring Valley School District.

The suit was for one 17.76-acre parcel and another of 3.53 acres, adjoining each other at Jamacha road and Kempton st. With other land already acquired, this is to be the site of the La Presa Elementary School and the La Presa Junior High School. Both sites are just east of the Lemon Grove district.

Corken Corp. was sued as the owner of the larger parcel under litigation, and Emil Caldwell was the defendent in the purchase of the other. The asking price was $193,700 for the former piece, but the jury awarded a verdict of only $136,563. On the smaller parcel, Caldwell testified his land to be worth $35,000 per acre, or over $100,000, but the jury settled on $26,351 for the 3.53 acres, or about $7,500 per acre.

Ferdinand Fletcher appeared as attorney for the Corken Corp., and as one of the owners of the firm. He also testified as an expert witness on the appraisal of the Caldwell land. Max B. Ruffcorn was Caldwell's attorney.

Donald L. Clark, deputy county counsel, represented the school district.

On the witness stand, Fletcher put the value of the Corken Corp. at $193,000. However, M. L. Anderson, appraiser for the district, said the land was worth $119,000.

Fletcher, in testifying as an expert witness for Caldwell, appraised that land at $10,000 per acre. This compared with Caldwell's own testimony that it was worth $35,000 per acre.

Anderson's appraisal was that the 3.53 acres were worth $22,945. The case was tried in Superior Court, before Judge James Toothacre. It began on November 7.

Four S.V. Youths Charged With Theft

Four Spring Valley area youths will be tried for petty theft in El Cajon Municipal Court this week. They were charged with breaking into soft drink machines in Spring Valley, El Cajon and Lakeside.

George Sluss, 19, pleaded guilty to 21 counts of petty theft and will be sentenced Dec. 21.

Michael Keegan, 18, 1649 Madera; Carl Allen, 22, and Alvin Harper, 23, both of 2835 Bancroft, Spring Valley, will be tried by jury December 19.

The machines were broken into between November 1 and 2.

All are free on $250 bail.

DELAYED — Ross Burriston, long time San Diego resident who is president of the San Diego Shoe Corporation and owner of Boldrick's Fine Shoes at 6th and C in San Diego, said the opening of the Lemon Grove store would be held December 15. It had previously been set a week earlier. Construction difficulties superinduced by recent rains contributed to the postponement.

The Lemon Grove store will carry the name of Burriston's Fine Shoes but the same national line will be carried as the Boldrick's store.

In conjunction with the Grand Opening, a children's free Christmas Cartoon Festival and "Bozo the Clown" show will be held at the Grove Theatre on opening day at 10 a.m., 12 noon and 2 p.m. A television celebrity will headline the festival in the person of the world famous "Bozo the Clown," who will be present for all three performances.

Free children's tickets for all three shows may be obtained by calling in person on opening day to Burriston's Fine Shoe Store located at Broadway and Grove, just east of the Lemon Grove Post Office.

The firm also operates Burriston's in La Jolla; the shoe department in Stevenson's in La Jolla, and the shoe department in Kippys department store in Coronado.

Attendant Taps Till For $60 Says Employer

Eugene A. Mouillesseaux, owner of a filling station at 7179 Broadway, reported to sheriff's deputies that an attendant he hired the week before had allegedly taken $60 from the cash register and walked away.

Mouillesseaux said he hired the suspect who gave his name and address as Bobbie Shelton Jr., 30, of 10314A El Cajon blvd., on Thursday. The money was missing Saturday and the attendant did not return.

Deputies said there is no such address on El Cajon blvd. and that they had not apprehended Shelton, according to Deputy Don Bryan who is working on the case.

Dennis the Menace To Star In Toyland Parade Sunday

The 24th annual North Park Toyland parade will be held Sunday, starting at 1:30 p.m., featuring a host of celebrities including the nation's most famous child star, "Dennis the Menace," who is Jay North in private life. The parade is presented annually by the North Park Business club as "North Park's gift to the children of the Community."

The 18-division pageant will move from 33rd st. west over University ave. to Arizona st. and south to Morley Field. Aida players of the 125-piece Bonham Brothers Band, who are: David Edwards, Sheldon Brown, Richard Henry and Leonard Riley.

Next will follow the world famous 30-unit Long Beach Silver Mounted Posse, riding on matched palominos. This posse led the two Eisenhower inaugural parades, and always leads the Tournament of Roses. Riding in the parade will be many of the finest silver riders in the southwest, with equipment valued at more than $2,000,000.

Behind the famed First Marine Division Band and Color Guard will be rider Maj. Gen. Alan Shapley, Commanding General of Camp Pendleton, who is Honorary Marshal, followed by Congressman Wilson and other federal, state, county and city officials.

Grand Marshal of the parade will be a San Diegan, Fire Chief George Courser.

Other celebrities will include the star of the coast to coast network detective thriller "Manhunt," Victor Jory, famous actor and his side kick.

Floats will come from La Mesa, El Cajon, Pacific Beach, Coronado, Ocean Beach, Julian East San Diego, National City, Chula Vista, and other communities; horseless carriages from La Jolla, as well as the Toyland Express, with two Santas in the engine cab from the Goodwill Industries, and Old Mission Rotary Club.

Twenty-five top bands from all over the area including the Army and Navy Academy Band from Carlsbad, as well as school and private organizations will furnish the music for the parade, in addition to the Naval Training Center's Drum and Bugle Corps.

Queen Janice Hillis, Crawford High School Co-ed, and her court will ride in the star-studded Queen's float, and Jolly Old Santa will bring up the rear of the parade in a float depicting him getting out of a huge chimney.

Planning Department Decision Reversed on Sweetwater Lots

SAN DIEGO (CNS) — The County Planning Commission denial of a zone change to permit building on half-acre sites for two and a half acres in Sweetwater Valley was upset Tuesday by the County Board of Supervisors.

The applicant for the zone change was Floyd R. Scidmore. He was seeking a change from zoning that requires a full acre for a building site, and the planning commission on October 7 turned down his request.

The commission vote was split, with two commissioners voting for the change. Those in opposition said Scidmore had already divided his land several times, contrary to the controls on such divisions.

The commission said additional splitting of Scidmore's land would require construction of a road with a 60-foot right of way.

Dr. Willis H. Miller, county planning director, said Tuesday the Scidmore land could be divided to permit homes on half-acre sites, if it were subject to lot split controls.

Supervisor David W. Bird declared that asking for a 60-foot road to serve three lots was unnecessary. "Dave Speer, the road commissioner, looked at this," said Bird, "and he can't see why we need a road like that out there."

Scidmore said that he has a 38-foot black-topped road serving his property. "I've got probably one of the best highways in the county and one of the best maintained," he said.

The zone change he asked, Scidmore said, is to enable him to sell his home and one more lot and then to build on the remaining lot. He added that the people to whom he is selling don't want to be on a 60-foot highway.

The Board then voted to approve the change of zone and ordered the county counsel's office to draw up an ordinance to make the re-zoning effective.

READER RANKS GROW AS NEW SUBSCRIBERS TOP 850

The fund for the Firemen's Relief Association continues to grow as 284 new names are added to the subscription list of this newspaper.

The campaign started three weeks ago and a total of 854 new subscribers have said "yes" since then.

For each subscriber a contribution is made to the Fire Relief Association in the fire district in which the subscriber lives.

The money will be used in the Association's general fund from which firemen have use of it for needs other than those supplied by the district. Funds may be used for firemen who suffer extended illnesses or death in the family. Money is also provided for articles to provide more comfort for the men while they are on duty. In Lemon Grove, the fund is also used to provide help to the annual Toys for Tots program. The firemen also contribute labor to the latter program.

The campaign is being conducted by telephone because it is possible to reach more people in a limited time that way. The need for paid subscribers is obvious. Paying is the measurement of the efficacy of a newspaper for its advertisers. If the reader decides the newspaper is useless, it can be stopped by not paying.

Mt. Miguel Band Tops in Rain

Mt. Miguel Band took first place in the AA division of the competitive parade at Long Beach Saturday, with an unusually high score. Sweepstakes was not presented, as the latter half of the parade was held in the Municipal Auditorium, because of the rain which engulfed the later divisions. However, Mt. Miguel had the highest score of the day, which makes them the nominal Sweepstakes winners.

Sheryll Lane, the majorette, took second place honors in the non-twirling classification.

The preceding Saturday, the Band took first place in their division at the Arcadia Parade, which is an invitational competitive event.

Smart uniforms, excellent music, and fine marching of the band gave excellent representation for the Lemon Grove-Spring Valley area. Their director is Larry Christianson.

Peanut brittle which the band members recently sold is still available by contacting Mr. Christianson or any band member.

The DIMMER VIEW

by MAX GOODWIN

Next week has been designated Civil Defense Week with Civil Defense Day coming on the day made infamous in American history — December 7.

Recalling that Day, on this, the 19th. anniversary of Pearl Harbor, brings sad memories. It also brings a sense of pride . . . pride that we Americans can recover almost insurmountable losses, regardless of the odds.

Nineteen years after Pearl Harbor we are marking the Day again. Marking it with a grim warning from the Office of Civil Defense Mobilization. The warning is to build a family shelter. A family shelter to defend ourselves against a possible nueclear attack.

Whether it is as grim and frightening for you as it is for us is beside the point. If an attack should come, says the director of OCDM, it will be too late for fear.

The director also suggests several other items of preparation in addition to building a bomb shelter which he calls "home fallout shelters." These items are: Know warning signals. A steady blast of three to five minutes means "attack probable; take action as directed by local government." A wailing tone or

Earlier Mail Means Merrier Xmas Says L.G. Post Office

Lemon Grove Postmaster Frenchy Faucher says; "It's later than you think! Let's not wait until the middle of December to get our gifts and Christmas cards into the mails."

Address your mail carefully using zones and complete return addresses. Use first class mail for your greeting cards and make certain that they are delivered promptly and forwarded or returned, if necessary. Free labels are available at the Post Office, which read, "All For Out Of Town Delivery" and "All For Local Delivery." By using these labels and making up two bundles, you will be helping the folks at the Post Office.

Beginning on December 10 (Saturday) the hours of service at windows in the Lemon Grove Post Office will be extended to: Open at 8 a.m. - Close at 7 p.m. Daily, except Sundays. On Sundays, December 11 and December 18 window service will be given from 10 a.m. to 4 p.m.

News of Spring Valley Estates, Mt. Miguel Terrace and La Presa

by Elaine Horowitz HO 3-5393

Try-out for the Spring Valley Little League will be starting soon, and remember that if you want your boy to qualify, you must participate in some way, so now's the time to start thinking it over. Can you manage or coach a team, act as a team mother, etc. Get in touch with Mr. Glen McCormick at HO 6-4954.

GIRL SCOUT NEWS

Girl Scout Troop 453, with leaders Pat Turner and Jo Ann Gapp, have a special service activity, which takes place the first Tuesday of every month. At that time, they go to the Naval Hospital, and from 7-8:30 p.m., square dance with boys who are recuperating there. This activity is sponsored by the Red Cross who serve them refreshments.

The girls are now selling Candy Butter Bits, as a money making activity, so when they ring your bell, be sure to purchase some; they certainly deserve encouragement.

FEAST WENT FAST

Mr. and Mrs. James Jordan shared their Thanksgiving dinner with 11 boys of Company No. 491, from the Recruit Training Base, following graduation ceremonies. Their 20 lb. turkey, and 10 lb. ham, plus all the trimmings, went, leaving the Jordans the carcass and some happy feelings after having shared their holiday with others.

CHRISTMAS COMING

Board members and their families of the Avondale PTA will be ringing some doorbells in the vicinity on the 22nd of December, for no other reason but to sing some carols, and introduce Santa Claus who will hand out candy canes to the children.

Nice Idea? Here's another one. When doing your Christmas shopping this year, set aside a dollar or two earmarked for children's hospitals in San Diego. With this money you can get material to make things or just buy a toy, a book, or crayons. It'll make you feel the true Christmas spirit.

POLIO CLINIC

A polio clinic has been set up by the Avondale PTA, the tentative date to be the 5th of December, and will be held at the Avondale school. Watch for notices from the school for further news; if your child does not attend the school, ask a neighbor whose child does.

PLATTER PARTNERS

Barbara Jordan has brought forth an idea, which if it takes hold, could answer one problem in the community, which is, where can teen-agers get together for some good healthy fun.

Barbara and Jim are offering their rumpus room, one Friday a month to 7th and 8th graders, from this area, where from 7:30 to 9:30 p.m., they can dance and enjoy themselves, while being supervised. If eleven others could do the same, then once a year they would have the group at their home, and the boys and girls would get unlimited benefits from it.

For more information, call Barbara at HO 3-0616.

Santa Gets Mail Through Columns Of Newspaper

Letters to Santa slowed down this week, probably because youngsters were too busy with turkey, but Santa says he expects the letters to come in a torrent from now until Christmas eve.

Santa asked this newspaper, and the postmaster of the local postoffice, to help him again this year with his heavy mail. Youngsters often drop letters addressed to Santa in local mail boxes. Postal regulations permit the postmaster to turn such letters over to the local newspaper so that they may be published, if the editor wishes. The theory is that Santa, who reads this paper, will get the message a little sooner.

Many letters carry trading stamps where postage stamps ordinarily go which seems to indicate that little Junior and Jane write and mail these letters on their own.

The editor prints them as space permits.

Dear Santa:

I want these things. A real big book, coin bank, tom thumb typewriter, colgne, barbie with mix-match set, Shirley Temple beauty set, sachet, cook-out set, Potato head, game of life, 4-wheel bike, cake mix set, milk bar set, print a color newspaper, hand cream, game of clue,, bubble bath, shampoo, and game of shomo.

Sup. Bird Given 20-year Service Pin

SAN DIEGO (CNS)—A pin for 20 years of service to San Diego County was awarded to Supervisor David W. Bird at Tuesday's session of the County Board of Supervisors.

The pin and a certificate for service were given to Bird by Board Chairman Frank A. Gibson at a ceremony attended by most of the heads of the departments of county government.

Bird was elected first in 1940, after a previous, unsuccessful campaign for a Board post. Since 1940, he has been re-elected five times.

Now the Board member with the longest period of service, Bird was previously a member of National City's City Council and also mayor of National City.

In his 20 years as representative of the third district on the Board, he has won a national reputation as a county executive. He has been president of the California Supervisors Assn., and is now on its board of directors. He is also a vice-president of the National Assn. of County Officials.

Bird represents the southern and southeastern part of the county, with the greatest mixture of cities and unincorporated areas of any part of the county.

School Bond Sale To Be $5,000 Shorter

The Business Department of the County Superintendent of Schools notified the Lemon Grove district that it would have $5,000 less salable bonds than the district had anticipated. Byron Netzley, L. G. school superintendent, told the board of trustees that the reduction from $615,000 to $610,000 in salable bonds would not affect the current building program, however.

The school board, which has been meeting on Wednesdays during the second quarter, will return to meetings on Monday nights beginning in February, Netzley said.

L.G. Church Asks Special Use Building Permit

SAN DIEGO (CNS)—A request for a special use permit for construction of a new chapel for the Lemon Grove Lutheran Church is to be the subject of a public hearing Friday morning before the County Planning Commission.

The new structure is to be on the same site as existing church facilities, at the intersection of Alton and Skyline drives. It is to have a 70-foot steeple and to provide seating space for 400 persons on the main floor and to have a fellowship hall and kitchen in the basement.

S.V. Church Asks Special Use Building Permit

SAN DIEGO (CNS) — The First Church of the Open Bible is seeking a special use permit for construction of a church on a half-acre at 8651 Lamar st., Spring Valley.

The County Planning Commission has slated a public hearing on the request for Friday morning. Applicants for the permit are Charles R. Jackson, who is selling the property, and Rev. Gust F. Block, for the church.

The church group plans to build a church with Sunday School facilities on the rear of the property, the application states. The church is described as part of the Open Bible Standard Church, which has its western division headquarters in Eugene, Ore.

Bradshaw's Market Opens in L.G.

Innovations in meat and food retailing are incorporated in the new Bradshaw's Lemon Grove supermarket which is having its grand opening today.

The new 17,000 square feet store is the fourth for Bradshaw Markets, a San Diego firm directed by Pauul D. Bradshaw, president, and William E. Free, vice president. Bradshaw and Free have been associated in food retailing here since 1941.

The new store is located in the San Altos Shopping Center in Lemon Grove at Massachusetts and Imperial.

"The very latest electronic equipment and all other mechanized innovations in the meat department of this new market will insure the lowest cost per pound in meat retailing of any other meat department in the nation," Bradshaw said. "Every invention and design factor known in modern food retailing will be incorporated in this new Lemon Grove Bradshaw's in order to bring quality and savings to customers in the area," he added.

Free said the new store is "located in one of the fastest growing sections of San Diego County. We have great faith in this wonderful area and are anxiouus to become an active and integral part of the community."

Sups. OK Request For S.V. Sewer Sludge

SAN DIEGO (CNS)—Approval of removal of sludge from the Spring Valley Sanitation District disposal plant by a local property owner was approved Tuesday by the County Board of Supervisors.

The action was taken at the request of Jean L. Vincenz, director of the public works department. He said the step would aid the district in meeting the problem of the overload on the plant.

Vincenz revealed that the district itself has been removing five truck loads of liquid sludge from the plant each day and depositing it on one of the county's refuse disposal areas. He said he feared the point had been reached when it would be dangerous to deposit any more of the sludge on the site.

The person granted permission to haul away the sludge was indentified only as "a Mr. Thompson."

Fire Damages L.G. House

Damage estimated at $1,140 was caused by a fire in the home of Arnold Card, 1731 Eldora st., Lemon Grove, Saturday.

Lemon Grove Fire Department officials said the fire, which started at 3:13 p.m., was confined to the living room of the house but extensive smoke damage was done in the rest of the house.

Apparently the blaze was started by a frayed electric cord.

Perfume Racket Can Take Xmas Money

In buying Holiday perfume it will pay to know that you are dealing with reputable retailers, says the Better Business Bureau.

The New York BBB advises that some concerns are rebottling toilet water or cologne in the small purse-size containers commonly used for real perfume. They do not disclose that it is a cheaper product and many persons have bought it believing it to be perfume. Exorbitant prices are charged for the products.

Some of the containers are simply marked with an initial, such as "A", "MS", "C", "WS", "T", etc., which it is claimed means Arpege, My Sin, Chanel, White Shoulders, and Tabu. The New York City Bureau states that it does not believe items so marked are even toilet water or cologne of the brand names implied.

The third point on which buyers should be warned concerns those perfumes or toilet waters bearing manufacturers' regular price tags of $12.50, $16.50 and $18.50 which are offered for $2 or $3.

The Mail Box

Dear Editor:

I seldom fail to read your editorials or observations which ever they may be called.

The big majority of the time I am in accord with your views.

For instance, your observations about Grossmont Hospital, hit a responding chord in me. Why should the people be taxed and bonded for a Hospital that in the first three years of operations made $600,000.00.

Why does it cost the people who own the hospital more than those who live outside the district, $2.00 discount not withstanding.

I think this subject needs a little more exploration. Keep it up!

Now, on the other hand your Essay pursuant to the intelligence of those who oppose incorporation is, I believe quite biased and is not the proper line that a paper, that is supposed to present all views should take. Let us calmly explore all sides of this question and let us have no more editorials which try to prove that only Pro-Incorporation people have brains and are unemotional, things like that have been known to rebound. Be Careful!

Sincerely,
W. A. Johnson

Dear Editor:

Did you know that your dog must have a rabies shot before you can obtain his dog license for next year? Because of this new law, San Altos PTA is sponsoring a rabies clinic at school on December 6, from 7 p.m. to 9 p.m. Dr. McKenney and Dr. Burns, with their assistants, will take care of the innoculations.

The shots which are effective for two years, will be $1.50, which is the exact cost of the vaccine. To our knowledge, this is the only rabies clinic that will be held in this area, so be sure to take advantage of the opportunity. The one requirement is that your dog be on leash and under control at all times by a competent person.

short blasts for three minutes means "attack imminent — take cover immediately in best abailable shelter."

2. Know your community plan for emergency action.

3. Be prepared to protect yourself against radioactive fallout. This means home shelter. You can get free instructions for inexpensive shelters from your local defense office or by writing to Box Home Shelter, Battle Creek, Michigan. Store two weeks supply of food, water and other essentials.

4. Know CONELRAD and have a battery-powered radio set. CONELRAD operates on 640 or 1240 and will give local emergency instructions.

That is the message for you on Civil Defense Day 1960. It forbodes a future fraught with danger. We wish it were otherwise.

The U.S. House of Representatives voted the National Science Foundation $160 million after which the Foundation made a grant of $50,000 to a university for the study of bird sounds.

Apparently, birds make more noise than taxpayers because we don't recall ever hearing of a grant to study the sounds made by harassed taxpayers.

"Fiscal affairs are at the heart of the democratic process. Citizens concern over taxes originally led to our representative form of government. If democratic government is to survive, not only in this country, but in the world, citizens must somehow gain control of government spending and taxes, instead of letting them dominate their business and personal lives." New Haven (Mo.) LEADER

For the first time since we advocated it three years ago, the Senate Judiciary Committee is taking a look at some of the carryings-on sanctioned under the juvenile code.

Many wrongs can be committed where the cloak of secrecy is permitted, and we know of some in which this has been the case. In most juvenile cases the trial is closed to the public and the press.

State Senator Hugo Fisher, a member of the Senate Judiciary Committee, said the group is studying juvenile justice and procedures in juvenile courts. To be considered also are the due processes which the Constitution guarantees every adult citizen. This may be extended to include permitting youngsters to be represented by counsel.

We heartily endorse such a move. Having a lawyer as the check and balance against some of the super-bright young probation officers is a condition to be desired. This alone would avert many cases of long detention of youngsters who are victims of parental delinquency.

In a local case involving a Spring Valley family in which the youngsters and parents were found innocent, the youngsters were taken away, screaming, from their mother. The children were grabbed because a couple of county probation department workers driving along the street, had seen the mother spank one of her daughters for disobedience.

We attempted to attend the hearing and were turned away. The judge "continued" the case for one year with a threat that this newspaper might be held in contempt if anything which might influence the case were published during the 12 month period.

Additionally, one of the workers threatened suit against this publication through the NAACP because we referred to one of the probation department workers as a colored lady.

Under the protection of secrecy many attacks against human rights may be mounted.

We commend Senator Fisher for his admission that the time may have come when our juvenile laws should be re-examined.

There have been many gallons of printers' ink spilled over the imbroglio in La Mesa. Some La Mesans apparently believe the city manager and the city chief of police should be removed from office following a federal raid which turned up pinball machines in profusion within the city limits of otherwise staid La Mesa.

Yet another group seems of the opinion that conditions are no worse in La Mesa than elsewhere in the county and that officials in La Mesa shouldn't be condemned, much less removed, because of the federal raid.

Officials have denied that machines were operated with their knowledge. While this is hardly plausible, it does create a condition which we believe to be untenable.

If officials didn't know pinball machines were in operation there must be something wrong with the La Mesa intelligence system.

If they did know it, it constitutes wrongdoing with their consent.

We are sorry that our sister city is torn by pinball travail and we are sorrier still that the blame must fall on the officials who are titular heads of their departments, because these men have been good men.

But the hazards connected with being a city official are many. As we see it, these officials have no recourse except to accept full responsibility and blame. . .no matter who hung the rap on 'em.

John Penery Sr., Passes at 82

John E. Penery Sr., 82, of 8405 Adams st., Lemon Grove, a retired railroad man and Spanish-American War veteran died at Navy hospital Tuesday after a three weeks' illness.

Penery was the father of John E. Penery Jr. of Lemon Grove, a former professer of education at San Diego State and now an executive director of the Inter-American Education Foundation.

The elder Penery, a native of Farmland, Ind., was a retired yard conductor at Richmond, Ind., for the Pennsylvania Railroad, which employed him 40 year. He was a chief scout in Troop M, Fifth U.S. Cavalry, in the Philippine Insurrection.

Penery was a member of Webb Masonic Lodge 24, Richmond; Indianapolis Scottish Rite Bodies and Denver Brown Camp, United Spanish War Veterans, Richmond.

Surviving, in addition to his son in Lemon Grove, are his widow, Hilda, to whom he had been married 54 years; another son, William, in federal civil service in Tokyo; six grandchildren, and three great-grandchildren.

Services were held Tuesday in Conrad Lemon Grove Mortuary under auspices of Lemon Grove Masonic Lodge 736. Military interment was in Ft. Rosecrans National Cemetery.

High School Trustee Foster Not To Seek Reelection

Long-time trustee of the Grossmont Union High School District, C. H. Foster, said Monday night at the regular school board meeting that he would not be a candidate when his term expires next year. Foster, a Likeside dairyman, and president of the board has served on the board continuously since 1935.

The terms of Rexford Hall and Palmer Svalstad also expire on June 30. Hall indicated that he desired time to give the matter study and consideration before arriving at a decision. Hall, who heads the W. D. Hall Company in El Cajon, has served on the board since 1944. Palmer Svalstad, the other member whose term expires, was out of town but it is anticipated that he will file for re-election. Holdover members of the board will be Mrs. Portia Goode and Robert Brown.

The holdover members, plus the three newly elected members, will serve as the governing board of the newly authorized junior college district as well as the high school district.

Citizens interested in filing for the board may obtain application forms from the high school office or from the office of the County Superintendent of Schools. Deadline for filing is March 18.

The board discussed a bulletin from the County Superintendent of Schools which outlined changes in the procedure for election of school board members. The third Tuesday of April is established as the date for school board elections which will be held every two years. Previous regulations called for elections in May to be held annually.

The board approved with one exception, precincts and election officials as determined by the 10 elementary districts in the Grossmont Union High School District. Superintendent Lewis Smith was directed to contact Cajon Valley School District to determine the possibility of establishing an additional precinct in the Hillsdale-Jamacha area. The request for this consideration was presented by Roger Winchester, resident of the precinct. However, the Grossmont Board indicated approval of the precincting submitted by the Cajon Valley Board if the addition is not approved by that board.

The board also commended the Mt. Miguel faculty for arranging for after-school use of the language lab for students. Also commended for their achievements were the high school bands representing the District in the Long Beach All Western Band Review.

Authorization was given to the district administrators to provide all assistance possible without undue expense by the District to the El Cajon Valley Taxpayers' Association in their analysis of school district financial affairs.

Bird Boost To Aid L.G. Sign

SAN DIEGO (CNS)—A Lemon Grove plan to erect a promotional sign alongside Highway 94 got support Tuesday from the County Board of Supervisors.

Supervisor David W. Bird said the Lemon Grove Chamber of Commerce wants to put up the sign on private property zoned for industry.

Dr. Willis H. Miller, county planning director, reported that the zoning in question made no provision for signs.

Bird replied that there should be more leniency in the zoning to take care of such signs planned for community benefit. He said the chamber sign is to read: "Turn Right. Live, Work and Buy in Lemon Grove."

Bird then made a motion to have to planning commission changing the zone where the sign is to be. Miller said consideration should be given to changing the ordinance to permit service signs. The commission is to decide

Membership Drive Nets 9,477 For Mt. Helix Council

While membership in the most famous national association in the United States is available the year 'round, the recent drive netted some 9,477 parents and teachers to Mt. Helix council, through the 20 PTA units participating. Rancho Elementary PTA, most recent admitted to the council, started wiht 125 charter members and is currently having a month-long campaign to swell its ranks. La Mesa Elementary PTA has the distinction of being the only unit boasting 100 per cent membership, ie., one membership for each child enrolled in the school, and will be honored by the council with a certificate.

Mrs. C. S. Williams, council president, announced over 40 volunteers have offered their services to the TB Center in the Christmas Seal sale, this being one of the yearly council projects. Council and unit members will also participate in the Public Welfare Conference sponsored by Ninth District CCPT, November 30 at the First Presbyterian Church in San Diego.

Asks $10,000 For Sewer Damage

SAN DIEGO (CNS)—A claim against the Spring Valley Sanitation District as a direct result of the present over-capacity operation of the disposal plant was filed Tuesday on the County Board of Supervisors.

August and Dona Dicieude are asking for $10,000 for damages allegedly done to their real property, including contamination of their well, from sewage overflowing from the treatment plant.

SV Firemen Aid Young Paint Thinner Drinker

Runs for the Spring Valley Fire Dept. have been light for last two weeks with only two ambulance calls and one fire.

Paula Harney, 18 month old daughter of Mr. and Mrs. Kenneth Harney, 540 Ruxton Spring Valley, on November 15, opened a chest in the garage and found a can of paint thinner. She drank an undetermined amount and had to be taken to Grossmont hospital. Her mother said later that Paula is "just fine, but believe me there's a rock on the chest now."

Five month old Toni Sicila at 3410 Stansbury st., on November 22, contracted a choking spell, but was o.k. by the time the fire department ambulance arrived.

The lone fire for the two weeks period was on November 26 at 5 a.m. An electric light bulb in the garage of William R. Hoff, 8810 Hillslope, exploded causing about $75 damage to the building.

Sups May Help Pay Decoration Cost

SAN DIEGO (CNS)—A move to make county funds available for communities that want to put up decorations won support last week from the County Board of Supervisors.

The start came from the Cardiff Civic Club, which said it understood revenues from sales taxes were available for special purposes and asked for funds for Christmas decorations for Cardiff-by-the-Sea.

Supervisor De Graff Austin favored acting on the Cardiff Civic Club request, but Supervisor David W. Bird pointed out that the county would have to be prepared to give similar aid for other communities.

"But if you want to do it," Bird said, "let's go. I want to do something for the unincorporated areas, but maybe this isn't the way."

The Board then agreed to take the question "under advisement."

U.F. Drive Plods On As L.G. Reaches 105% of Goal

The United Fund and its volunteer campaigners this week are engaged in a giant county-wide post-Thanksgiving "Operation Wrapup."

At last week's final report meeting, the big drive on behalf of 97 vital community health and welfare agencies reported it had collected $2,478,727, or 76.3 per cent of the $3,250,000 goal.

Locally, campaigners in the Lemon Grove Division, headed by Bryon Netzley, have collected $7,555, or 105 per cent of their $7,216 quota.

"There are still hundreds of thousands of dollars worth of last year's gifts that have not been reported," said Paul Wolcott Jr., campaign co-chairman. "We must stay on the job, we must finish our contacts, we must do the jobs we agreed to do."

Wolcott said the existing economic climate made campaigning extremely difficult in some areas.

"However, these conditions make the programs and services of our agencies that much more important," he said. "We must raise considerably more money than we did last year to permit our agencies to continue their operations at even present levels."

Supported through the United Fund are all nine Community Chests in San Diego County, all of their Red Feather agencies, the American Red Cross, Salvation Army, the Scouts, Association for Retarded Children, Epilepsy Society, Children's Hospital, Neighborhood House, Cerebral Palsy Foundation, Family Service Association, Boys' Club, and many other agencies, a total of 97 in all.

In appealing to campaigners to "go out and get your job done," Wolcott paid special tribute to some residential (door-to-door) volunteers who have taken on extremely large assignments.

He also called on contributors who have not been contacted to mail contributions in directly to United Fund Headquarters, Post Office Box 2671, San Diego.

"The need is great, the time is short," Wolcott said. "Campaigners and contributors alike must do their part now. Our agencies, our community, are depending on this."

Grossmont HS District Operates Film Library

Grossmont Union High School District this year is operating its own film library for the first time. The District previously paid $2.00 per student per year for audio-visual materials to the San Diego County Department of Education. This amount plus NDEA funds will be used to develop a district library of 16 mm films in the District, itself.

Grossmont District has used county facilities up to now because it is not considered economically wise for a district with a student population less than 10,000 to provide films independently. However, student enrollment in the six high schools of the District has passed the 10,000 mark, and the new system has been set up.

The new film library is located on the Grossmont High School campus. It is believed that schools will have better service because they are closer than they have been in past years to the center of the operation. It will take some time to build the library, but definite steps have been taken and definite plans are made for the future.

The library is being built according to needs which develop out of study in curriculum, and first area of concentration is science, which has the added advantage of National Defense Education Act funds. The next area of concentration is social studies with films on geography, history, and government. Only films which will be widely used are purchased. They are stored at Grossmont and transported daily to and from El Cajon High, El Capitan, Granite Hills, Grossmont, Helix, and Mt. Miguel.

For the future, study is under way to select films for use in English and driver education classes. Film strips and other materials such as maps and models will not be kept in the central office. Each school will develop its own such collection.

In charge of developing the new library are Tom Warburton and Frank Cross of the department of instruction, with the assistance of committees of teachers who work with curriculum study and know what films are needed. Films are selected on the basis of educational values which supplement other instructional aids such as texts, models, magazines and supplementary books. Their use and selection when based upon educational goals, contributes to the improvement of learning by students.

LET US ALL PRAY TOGETHER AS A FAMILY

The heart of Yuletide meaning has been expressed by St. Matthew in his name attributed to Christ, "Emmanuel." His interpretation of this name is simply, "God with us." Since Matthew's day, gospel writers, Opostles, and all Christians have searched for the hidden deph of meaning from such a remendous affirmaion, "God (is) wih us."

Lutheran Church First Services Held in Spring Valley

A group of 94 persons worshipped in the Spring Valley Community Center Sunday, at the Festive First Service of the Lutheran Church in Spring Valley. They heard the Cathedral Choir of First Lutheran Church sing a special anthem for the occasion.

KFSD-TV covered the impressive service and films of the event were shown on that channel in the evening.

Worship services for the new congregation continue each Sunday at the Spring Valley Community Center at 11 a.m. "Response to our new church has been very encouraging," Rev. John Stevens Kerr, pastor of the church stated. "Plans are under way to begin Sunday school very soon."

Confirmation classes, classes in the Christian faith for 7th and 8th grade boys and girls have, already started. These classes are designed to provide an intensive one year course in the fundamentals of Lutheran doctrine to prepare the young people for full church membership. The classes meet at the Parsonage, 10009 Del Rio Road Spring Valley.

The public is invited to share the worship services of the Lutheran Church in Spring Valley which meets in the Spring Valley Community Center, 9050 Memory Lane, each Sunday at 11 a.m.

Trinity Church Plans Christmas Workshop

Worship Services will be held at Trinity Presbyterian Church, 3902 Kenwood dr., Spring Valley, Sunday, at 9 and 10:30 a.m. Rev. Keith A. Mitchell will give the sermon. There will be a coffee fellowship between services. The Third Session of the Church Membership class will begin at 3 p.m.

College and Career class will meet at Scholders', 10745 Louisa dr., La Mesa, for breakfast and study-discussion on the Bible. New members are invited.

Friday, December 2, at 6:45 p.m., an evening of sharing together in some Christmas fun is planned at Trinity's Christmas family workshop. Material will be available for use in making Christmas decorations.

Saturday, Trinity men will be attending the annual meeting of the United Presbyterian Men of Southern California, at Long Beach.

COMBINED MEETING SET

The Lutheran High School Auxiliary and the Lutheran High School Association will combine their meetings Friday at 7:45 p.m. with a Christmas Christian Fellowship at St. James Lutheran Church, Imperial Beach. Mr. James Rowe will speak on the present plans for making the building of the High School a reality.

Pastor and Mrs. William McMurdie will begin the festivities by narrating the Christmas Story with the help of the colorful nativity filmstrip. "O Holy Night" will be the vocal rendition of Mrs. Walter Stowe, who will later be joined by her husband in the singing of German carols.

Hebrew Alliance Meets Scheduled in La Mesa

The Hebrew Educational Alliance will hold its second Friday evening service this week at 8 p.m. in the McKinney Educational Building of the First Methodist Church at the corner of Palm and Lemon in La Mesa. Rabbi Elozor Weiss will deliver a sermon on "The Role of the Rabbi." Cantor Walter Flexo will chant the liturgy.

Holy Communion Sacrament To Be Observed in La Mesa

The sacrament of Holy Communion will be observed at the 10:45 a.m. Worship Service at the Warner Memorial Evangelical United Brethren Church at 4207 Palm ave., Sunday, with the Rev. A. Philip Strickler officiating. The choir, under the direction of Mrs. Donald C. Hume, will sing the anthem "God Is A Spirit," by C. Albert Scholin. Child care will be provided.

Veterinarians Plan Rabies Clinic at San Altos School

The San Diego Veterinary Medical Association will be conducting another rabies clinic in Lemon Grove on Tuesday, December 6, from 7 to 9 p.m. at the San Altos school. All dogs presented at that time will be vaccinated against rabies for a $1.50 fee and it is recommended that dogs be on leash and under control of person accompaning it.

Mrs. Fields and Mr. Giles of the San Altos PTA are in charge of arrangements and dogs will be vaccinated by Drs. Frank McKenney and Robert Burns.

Since the recent rabies scare in San Diego the Association is putting on such clinics in all parts of the county in an effort to get all of the dogs vaccinated against this disease.

Methodist Message Comes From Research

"Implications of our Latest Bible Discoveries" will be the sermon preached at the 8:30 and 11 a.m. Sunday worship services of the Lemon Grove Methodist Church. It will be based on manuscripts found recently by the Dead Sea that date back farther than the manuscripts our present Bible is based on.

The youth choir meets at 5:30 p.m., Jr. High at 6:30 p.m., Grovediggers at 6:30 p.m., Senior High MYF at 7 p.m. under the leadership of the new youth director, Gary Snapp, and the Finance Commission at 7 p.m.

The membership class for older youth and adults will meet with the pastor in the parsonage living room for a fireside "chat" at 9:45 p.m.

Boy Scout Troop 333 meets Tuesday at 7 p.m. The Evangelism Commission is at 7:30 p.m. on Tuesday. The Youth membership training class for youths from 11-15 meets from 4-5 p.m. Wednesday, in the sanctuary with the pastor. The Church team bowls at 6:30 p.m on Friday.

GOD—CAUSE AND CREATOR THEME OF SERMON

The completeness and supremacy of God will be highlighted in the Lesson-Sermon entitled "God the Only Cause and Creator" at all Christian Science church services on Sunday.

The Golden Text is from Psalms. "Happy is he that hath the God of Jacob for his help, whose hope is in the Lord his God: which made heaven, and earth, the sea, and all that therein is: which keepeth truth for ever" (146:5, 6).

As the theme is developed in the sermon, the closing Scriptural selection from Revelation (4:11) affirms, "Thou are worthy, O Lord, to receive glory and honour and power; for thou hast created all things, and for thy pleasure they are and were created."

Baptism To Be Held at L.M. Presbyterian Church

The Sacrament of Holy Baptism will be observed at both the 9:30 and 11 a.m. services, Sunday, at the La Mesa United Presbyterian Church, 1426 Harbison, with the Rev. Kenneth E. Grant officiating.

On Tuesday at 10 a.m., the Bible Study Class will meet in the Fireside Room with the Rev. Eugene Elsdon leading the discussion. Child Care will be provided.

On Wednesday, the Jr. High Fellowship will meet at 6:15 for a potluck dinner in the Social Hall. This will be followed at 7:15 by a program which includes showing of the film: "God's Word in Man's Language." The meeting and program will be held in Room 3.

Baptist Church News

S.V. FIRST BAPTIST

"Stoning Jesus" will be Rev. Roland Taylor's text at the 8 and 11 a.m. services, Sunday. The junior choir will sing at the 8 a.m. service and the adult choir at the 11 a.m. service. In the evening Rev. Taylor will speak on "Following the Far-Off." Communion will follow.

A Baptist Day of Prayer and a pot luck supper will be held in the church Friday, beginning at 6 p.m. A program will be held at 7 p.m. The Windsor Hills Baptist Church congregation will be special guests. The quarterly business meeting will follow the program, with the main order of business being the election of officers for the 1961 term.

The executive board of the WMS suggests that this year instead of the regular Christmas gift exchange, that the women bring suitable gifts for welfare baskets for the community.

BANCROFT BAPTIST

This week is "Week of Prayer" for foreign missions of the Southern Baptist Convention. The WMU are holding meetings each day at 10 a.m.

The Ruth Class will have its regular meeting Thursday at 6 p.m. in the church. It will be a Christmas party, potluck and an exchange of gifts by "secret pals."

The Men's Sunday School class will meet Tuesday at 7:30 p.m. in the church.

"M" night will be held Monday at the First Southern Baptist Church, Park blvd. and Meade st., San Diego. Delegates from all Southern Baptist Training Unions will attend. Goal from Bancroft is 51.

CASA DE ORO BAPTIST

A change in nursery care has taken place at the Casa de Oro Baptist Church. There is now a separate nursery for infants (both at the Sunday School and church services). There is another for children just learning to walk (up to 2 years of age). All pre-schoolers are taken care of during church services with Mrs. Anna Hatch in charge. Toys and beds are sterilized each week. Rev. Ernest Anderson, pastor, says the church is glad to render this service to the many mothers and fathers in order that they may attend the Sunday School and church services.

If U.S. population reaches 230 million by 1975, as predicted, farmers must produce 16.3 billion pounds more meat, 47 billion pounds more milk, 20 billion tons more fruits and vegetables, and 20 billion more eggs.

Imperial Avenue Boasts New Building

READY FOR BUSINESS—Four new firms moved to Lemon Grove as the month ended, into a new building developed by Sonka Brothers at 3123 to 3145 Imperial avenue, south of the Food Basket market.

In the foreground are Larry Folda, president of the L. G. Chamber of Commerce who has been busy recently attending openings and ribbon cuttings; Laura Tocco, registrar for the Charles University of Hair Styling; Rene Barrett and R. K. Parton, the latter two being associated with Seaboard Finance Co.

Not represented in the photo, but occupying addresses in the building are Bonded Cleaners and Oscar's Better Barbers.

Cornet 5-10-25c Stores Opens

The Grand Opening Sale event of the area's newest Cornet store is being held this week at 1047 Elkelton blvd., Spring Valley Estates.

The event will extend from Thursday through Sunday according to Walter Scott, manager of Cornet's newest 5c-10c-25c store.

The store has 7,200 square feet of floor space on which is housed all the items the Cornet organization has become popular for. It is the 195th store in the chain and the chain is the largest independently owned one in the United States.

Founded in Covina, California in 1924, Cornet stores now serve hundreds of thousands of families throughout the western states and Hawaii.

Scott issued an invitation to all area residents to visit the new store with its 51 different departments. "Come just to look and get acquainted," he said. Merchandise will be on sale for those who prefer to buy.

Scott said that much of the success of Cornet Stores over the past years can be attributed to the high standard of ethics under which the firm operates. Sound prinicples of fair dealing have always been fundamental with us and have always been observed. These unwritten rules include giving the customer full value at a fair price. Employees are instructed to give courteous, cheerful and efficient service to our customers. This general policy has resulted in great growth.

Buyers deal only with responsible firms on a direct basis. Advertising is strictly ethical. All advertised bargains are bona fide offerings, stocked in sufficient quantities to satisfy customers who respond to the advertisement, when it appears.

Sixteen Students Earn Straight "A"s at Jr. Hi.

Top-ranking students at the Lemon Grove Junior High were named this past week at the close of the first report period. According to Robert Sutton, principal, seven eighth graders and nine seventh graders earned straight "A" reports in all subjects. For most, this includes English, history and geography, spelling, mathematics, P. E., science, art, homemaking and shop. Some included special algebra and music grades.

Leading eighth grade scholars with perfect scholarship reports are Susan Bookbinder, Carole Brown, Darrell Cohen, Tempy Dell Cornelius, Bobbie Hancock, Janis Kogan, and Annette Lowe.

Seventh graders included in the honors group are Mary Budzinski, Loretta Campbell, Paulette Froetscher, Patricia Hedquist, Geralene Jackson, Marsha Johnson, Mary Larsen, Christine Pettis, and Filomena Sledzinski.

Students with all "A"'s and "B"'s on their first quarter report cards are also an honor group in the school. In the eighth grade they include Eva Abaroa, Sue Austin, Brenda Ball, Karon Berry, Jane Bouterious, Suzanne Britt, Leonore Dail, Ellen D'Amico, George DeMarino, Toni De Sanders, Lauren Dye, Phyllis Gafford, Connie Gruver, Shelly Guinan, Kathleen Hill, Jackie Jackson, Bobbie Kida, Beth LaDam, Frank Langer, Curtis Lintvedt, David Marquardt, Frank Marsella, Laurence May, Carolyne McDaniel, Ethel Miller, Sheila O'Connor, Gary Pergl, Sheryl Peterson, Brenda Pinterich, Christine Potts, Stephanie Powers, Nancy Schumacher, Sue Stiver, Pamela Tuve, and Della Westwood.

Seventh graders who gained "B" honor roll recognition include Rosemary Brewster, Kenneth Burchette, Ronald Burke, Michael Collier, Gary Crabtree, Bonnie Daniels, Lea MeMars, Janis Dow, Lorraine Dwyer, William Flores, Sherrill Franson, Linda Fyock, Elena Gomes, Judith Graham, Sharon Hedstrom, Celeste James, William Johnson, Zella Kinnersley, Peter Klimek, Bethann Kraft, Anna Locke, Christine Lundberg, Leonard Marinello, Susan Martinosky, Gail McCollum, Jean Nielson, Susan Perkins, Martin Pestcoe.

Also Ronald Picco, Deborah Quiggle, Mike Randazzo, Sheryl Rhodes, Vicke Richa, Karen Rusk, Lela Schuller, Marjorie Shelby, Carol Taylor, Dave Teeny, Martha Thunberg, Kathleen Torrens, Barbara Torrey, John Igrin, Cynthia Vogt, Elaine Weaver, Fred White, Betty Wiggs, Geraldine Woods, Sharon Young, and Donna Warlick.

CUBS

The Cub Scouts of Den 9, Pack 47 have been taken on several outings by their Den Mother, Mrs. Ora Lee Day. On November 10, the Den visited the Pacific Bell Telephone Company where they were shown the switchboards and electronic equipment. After leaving the Phone Co., the Cubs took a trip up the glass elevator at the El Cortez Hotel.

On November 11, Mrs. Day took the boys on a picnic in Pepper Grove, Balboa Park. From there they went to the harbor where they went aboard the aircraft carrier USS Bon Homme Richard. Next they went aboard a fire boat to witness a fire drill which at first they thought was a real fire.

Trips aboard the ferry concluded an adventure filled day for these Cubs.

On November 13, Den 9 held a marshmallow roast at Eucalyptus Park. The Cubs of Den 9 are Mike Day, Steve and Tim Tresser, Ben Small, Ken Lindeneau, Chuck Kimmel, Robert Vryheid, Tim Gross, Vincent Gallina, Glen Klein, and incoming Bobcat Westly Trent. Assisting Mrs. Day with her outings are her husband Everett and their daughter Donna.

FIRST AID

Every four seconds throughout the year someone is temporarily disabled by a minor accident in or around his home. More accidents occur in the home or yard than any where else, including the streets and highways. In spite of this record, one out of every three homes is lacking in one or more of the basic first-aid essentials. Only about one out of five families own a first-aid kit.

Commenting on this situation Leonard Hayes, Cubmaster of Pack 47, stated that the Cubs of his groups are meeting a gratifying response from local homeowners to the pack's current "Be Prepared for Accidens" campaign. To raise money for activities, the members are calling on every house in and around Spring Valley, offering a wide selection of first-aid kits for sale.

"Accident preparedness" says Mr. Hayes, "should, of course, take into account both home accidents and accidents away from home. A first-aid kit kept in the kitchen will save a trip upstairs to the bathroom medicine cabinet when a finger is nicked by a sharp knife. It will save steps and time when children come in from play with hurts to be cleansed and bandaged.

"A first-aid kit kept in the car may prevent a serious infection if some member of the family suffers a minor injury during a trip, when a drug store may be far away. A first-aid travel kit, tucked into the corner of a suitcase, can save worry about infection if the traveler acquires a cut, scrape or scratch while on a train or bus, or in a hotel."

BROWNIES

A new second grade Brownie troop has been formed at the Bancroft Elementary School. The first meeting was held the early part of November and meetings are scheduled for each Wednesday at the home of Mrs. Pedro Perez, 2106 Ildica ct., Spring Valley. Brownie leader is Mrs. Charles Calkins and the co-leader, Mrs. William Hobb.

A Brownie mothers meeting at the Goodland Acres (Pals and Gals) Clubhouse on Troy street resulted in the forming of an adult group. The neighborhood meeting will be held the third Friday of every month.

Chairman of the Troop committee is Mrs. Jim Turner; vice president, Mrs. Edward Brazell; secretary, Mrs. Gene Keats; treasurer, Mrs. William Knight.

Subcommittees: transportation, Mrs. Carmen Hurtt; hospitality, Mrs. Pedro Perez; ways and means (and cookie chairman), Mrs. Hugo Dypvik; publicity and historian, Mrs. J. R. Paydon; activities, Mrs. Robert Pierce jr.; telephone, Mrs. Stanley Simmons; physical arrangements, Mrs. Charles Fehlberg; and materials procurement, Mrs. Jim Hoover.

Want To Improve
READING SKILL?
FOR YOU OR YOUR CHILD
Here's The Answer!

UNKNOWN to parents and teachers, undetected reading disabilities may be a chief factor underlying low grades, emotional problems and lack of financial success.

Diagnostic test services of the El Camino Reading Clinic probe beneath superficial reading skills to provide the answer to parents and adults who want to know.

To meet the problem where it exists, the Clinic provides a tri-level program. Students progress at their own pace and individually, in groups no larger than four.

REMEDIAL — For the student having difficulty in school.
DEVELOPMENTAL — For students of any age not working to capacity.
ACCELERATED—For the superior student and adult needing a challenge to higher achievement.*
***Special rates for churches, community service and professional groups. Details on request.**

If you want to be sure your child is reading as he should, arrange for a diagnostic testing appointment now!

New Book Cites Local Teacher's Program

A program for gifted students, initiated by a Lemon Grove school district principal, bids fair to become the model for similar programs across the nation.

The program, started by Mrs. Evelyn Lauritzen at the Golden Avenue elementary school in the 1956-57 school year, is being used in a newly published book written by Dr. Jack Kough, former member of the committee on Human Development at the University of Chicago.

The book, "Practical Programs For The Gifted," explains the experimental program developed in a Lemon Grove elementary school, and suggests that it might serve as a model for other school systems wanting to establish similar programs. The author, vice president of Science Research Associates, Inc. is an authority of programs for the intellectually gifted.

The particular methods used by the school for identifying outstanding students, and the steps taken to enhance particular skills are discussed. The teacher's individualized reading programs, special science units and other activities to stimulate research and mature thinking are mentioned. The club program, operated entirely by parents, is mentioned as a fine addition to the gifted student project.

In compiling his book, Dr. Kough asked 46 experts on problems of gifted children to nominate those programs they considered to be the most outstanding in the country. The author discusses those 34 programs most often mentioned.

Designed to serve as a guide for school personnel desiring to establish programs for gifted students, the book outlines and discusses the steps to be followed. Chapters on administrative provisions for the gifted, the identification of talent, getting started on a program, the motivation of outstanding students and the consultant's role are included.

Mrs. Lauritzen's program started with an enrichment program for youngsters from grades two through five. There were no supervisory personnel nor any finances available from the district for her program. However, a guidance teacher and a curriculum co-ordinator from the County Schools' office gave assistance.

Prior to the initiation of the program, achievement ratings of the top five or six individuals in each class were compared. Teachers were asked for description of the "above and beyond" work done by these children. This gave a picture of the needs for such students.

Teachers were then asked, at each grade level, to attend additional meetings and do additional work. Then the very fast learners were assigned to one teacher at each grade level two through five. In classes where fast learners were concentrated, slow learners were removed from the class. The students who were so advanced as to be misfits were then placed with the fast learners. The "cut-off" point for the gifted was ascertained to be 10 to 20 points lower than most studies of this kind indicated. Bi-monthly meetings were held and parents of the gifted were invited to participate. Classes of six to eight children were enrolled in these "extension" classes and the training, according to Mrs. Lauritzen, "would do credit to any credentialled teacher."

The program, now modified to suit the situation, is being used district-wise.

Mrs. Lauritzen is taking her sabbatical year for her doctorate at UCLA. She will return to Golden Avenue school during the 1961-62 school year.

Scottish Singers Slated For Russ Program Saturday

Music and dances, traditional of all regions of their native land, will be seen in the lively production called Caledonia!, to be staged by the celebrated Singers and Dancers of Scotland, Saturday evening, December 3 at Russ Auditorium.

The talented young people, who enjoy enormous popularity in the British Isles, are currently appearing in America for the first time.

Every detail of the production is authentic, colorfully costumed, and each member of the company is an artist of first stature. One of the most striking scenes will be a ceremonial "The Passing of Cuthullin," based on the early lore of Scotland and presented as a tableau by the entire company.

Heading the company is Andrew Macpherson from Ayrshire, who built the talented company after exhaustive research into Scottish music and dance traditions. Among the soloists are Flora Stuart Grubb, the 1960 World Champion Highland Dancer, and Billy Forsyth, acclaimed as Scotland's premier male dancer.

The program ranges in mood from the beloved ballads by Robert Burns to the wry humor of Sir Harry Lauder, from elegant country dancing to spirited Highland Flings, and from nostalgic airs to be played by one of Scotland's finest solo pipers, to "mouth music" derived from early Gaelic sources.

Tickets available at Palmer Box Office, 1055 Sixth Ave. San Diego.

Helix To Build Water Treatment Plant Near Lakeside

The Board of Directors of the Helix Irrigation District has voted to build a water treatment plant near the Chet Harriet Reservoir site 1½ miles east of Lakeside.

A cost estimate and feasibility study recently completed by the James M. Montgomery Co. of Pasadena indicated that the initial stage of the plant would cost approximately $2,530,000 and would treat 50 million gallons of water per day. Later, as demands in the area increase, the plant can be expanded to a capacity of 80 million gallons.

The plant will incorporate 30-minute pretreatment and rapid-sand filtration to remove impurities such as silt and other suspended matter which presently create occasional dirty water or taste and odor problems. Presently only chlorine is added to disinfect the water.

Directors authorized the staff to proceed with final plans and specifications for the plant, which will be designed by the Montgomery firm of consulting engineers. It is expected that completion of the plans will take about eight months and that the plant will be constructed within 2 to 3 years. Rapid population growth in recent years and water quality variations in Colorado River water have made filtration desirable for the Helix District, which now serves approximately 125,000 people in the East County area.

FIRE DEPT. OFFERS HOLIDAY HINTS

Your local fire department, whose relief association is benefitting through this newspapers circulation campaign, now returns the favor by offering some Christmas Safety Suggestions which may save you from property loss or injury.

Says your fire chief: 43 persons lost their lives in fires in the United States during the three days starting at 6 p.m. Christmas Eve.

His Safety Suggestion for Christmas:

1. Be sure your Christmas tree is freshly cut with firmly-attached needles.
2. Keep the tree outdoors until ready for use. Cool air will keep it fresh longer once it is up. Keep it standing in a pail of water.
3. Choose the coolest part of the room for the tree - away from heating devices.
4. A tree "drinks" more water than you realize. Use a tree holder with a water container and keep the water container filled at all times.
5. Use fireproof decorations of glass, metal or fire-resistant materials.
6. Set up electric trains away from the tree. A spark could set the tree on fire.
7. Use electric lights. . .never candles. Lights with frayed wiring should be replaced. Choose lights bearing Underwriters' Laboratories label.
8. On Christmas morning fold and put away all the wrappings you intend to keep. Dispose of the others immediately.
9. Turn off the tree lights when you leave the house.
10. Inspect the tree from time to time. If the needles have started to turn brown near the lights, change the position of the lights.
11. When the needles start falling, take down the tree.
12. Even if the tree is fresh looking, plan to keep it up no later than the day after New Years'.

Mr. and Mrs. Gary Kenneth Conrad

Gary Conrad Claims Orange Bride

The former Miss Donna Joan Quandt, daughter of Mr. and Mrs. John. H. Quandt of Orange, California, became the bride of Gary Kenneth Conrad of Lemon Grove, November 6 in a double ring ceremony at St. John's Lutheran Church in Orange.

Gary Conrad is the son of Mr. and Mrs. Kenneth Conrad of 7387 Broadway, Lemon Grove.

The bride was escorted down the candlelit aisle of St. John's church by her father. She wore an exquisitely detailed gown of silk peau de soie with Alencon lace appliqued with mock pearls and irridescent sequins around the softly scooped neckline and down the front panel. The back of the gown extended into a train and her waist-length veil was held in place by a crown of jewels matching her gown. She wore a pearl necklace, a gift from the bridegroom. She carried a bible she received as a child.

The church was decorated in white pompon chrysanthemums with orchid shattered mums. White candles were used at the altar.

Music before the ceremony was played by Ron Simmons of Lemon Grove, who also played the recessional and processional.

A reception following the ceremony was attended by 350 persons.

The bridegroom attended high school near Lemon Grove and San Diego State College. He will continue his affiliation with his father in the operation of Conrad's Lemon Grove Mortuary.

The couple will reside at 7413 Pacific ave. in Lemon Grove after a honeymoon in Carmel.

INVESTORS SELECTIVE FUND DECLARES 14 CENT DIVIDEND

The Board of Directors of Investors Selective Fund, Inc., mutual fund affiliate of Investors Diversified Services, Inc., has declared a regular quarterly dividend of 14 cents per share, payable November 25, 1960 to shareholders of record at the close of business November 23, 1960, according to Earl Keyes, zone manager of Lemon Grove and Spring Valley.

The dividend will be distributed out of the Fund's undistributed net investment income, derived exclusively from interest and dividend income. It is the fourth quarterly dividend declared during the fiscal year and the 59th consecutive dividend paid by the Fund.

Investors Selective Fund, Inc. currently has 2,758,079 shares outstanding compared with 2,619,822 a year ago. Assets are invested principally in bonds and preferred stocks.

Christmas Home Tour Scheduled By Grossmont Women

East County area residents may peek into five neighbors homes, all decorated for Christmas, when the Grossmont Hospital Auxiliary holds its sixth annual Christmas Home Tour on December 11, from 1 to 5 p.m. Buses will make the trip at 1 and 3 pm.

Karlsgodt, 10050 Lemon ave., Helix; Mr. Isadore Teacher, 9947 Fuerte dr., Helix; Dr. Douglas Westmoreland, 11038 Horizon Hills Drive, and Dr. and Mrs. George Brown of South La Mesa.

Mrs. Mason Mosley and Mrs. William Quinn will be assisted in general planning by area groups: Mmes. E. R. Hering, Arthur Springer, and Edward Barker of El Capitan in charge of home made cookies to be sold at one home; Mmes. C. A. Holcomb, Leonard Cook, Ernest Denlinger of Southland area; Mmes. Dave Martin, John Lange and Harlan More of El Cajon; Mmes. Virgil Pederon, Charles Muller, and Robert Argo of Fletcher Hills; Mmes. Glenn Napierski, William Butler, and P. Henderson of Grossmont; Mmes. William Beasley, Edward Denny, and Jens Hutchens of La Mesa.

St. Andrews Church Benefit To Carry Holiday Motif

Winter holiday sparkle will be the theme for the dessert card party benefit on Friday December 2, at St. Andrew's Episcopal Church, La Mesa, under the chairmanship of Mmes John Dahlstet, Wesley Otto Donald Feeney, and Harol Ames. The first party will begin at noon, directed by Mrs. arthur Savage and her committee. The evening party chairmaned by Mrs. Jas. Julian starts at 7:30 p.m.

The enrichment of the Sunday school program is the purpose of the dessert-card party and proceeds are to be used for audio-visual aids, a library of films and books, and various supplies.

Child care will be provided for the afternoon party.

Reservations may be phoned to Mrs. Otto. HI 2-9933, or Mrs Julian, HO 6-7665.

Also assisting with party arrangements are Mmes. A. O. Hopkins, Robert Wills, Perley Hale, Harrison Shedd, Ray Fellows, R. W. Johnson, R. H Miller, Wm. Funke, H. Ross Merrill, J. D. Willis, J. R. Bryant, J. P. Edmondson, and E Staveley.

'Innocents' To Go On Helix Stage

A nineteenth century mansion in England is the setting of "The Innocents," Helix High School's senior play.

The play will be held December 1, 2 and 3 in the Helix Little Theater.

The cast consists of Jerry West, as Miss Giddens, a young and beautiful governess who is inexperienced and unsure of herself; Shirley Williams, as Miss Flora, a flighty child who is different from other children of her age; Tom Burke, as Master Miles, an insolent child who is trapped; Carol Gazze, as Mrs. Grose, the housekeeper who knows the situation.

Mr. Edward Frank, Helix drama teacher, is director. Jackie Webster, senior, is his assistant.

Admission will be 75 cents for seniors. General admission is $1.

Campaign to Curb Pornography Mail

The Grossmont Union High School District Board of Trustees approved a resolution of the Optimists Club and the PTA supporting the campaign to control distribution of pornographic materials through the mails. Also approved was distribution of folders to be supplied by the La Mesa Optimists Club which will inform parents regarding how they may assist the Postmaster General in control of the mailing of pornographic materials. The post office has indicated that San Diego area has been a prime target for the distribution of these materials to children and youth.

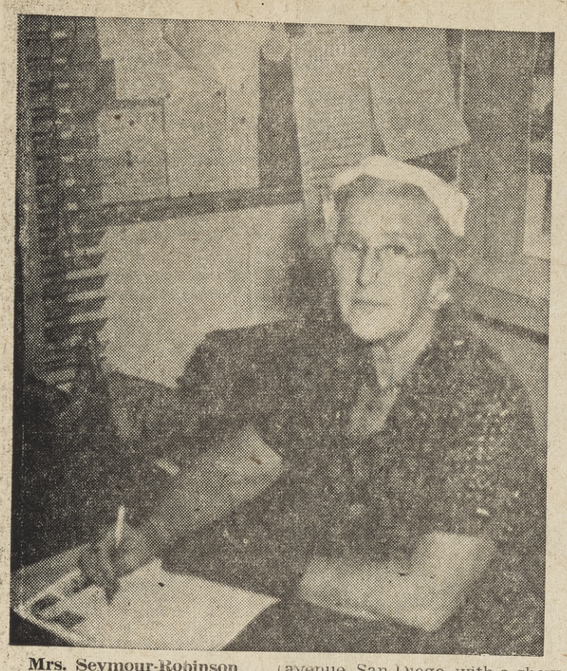
Mrs. Seymour Robinson To Head GOP Women



Mrs. Seymour Robinson

Mrs. Elizabeth Seymour Robinson, of 10096 Casa de Oro blvd., Spring alley, was unanimously elected president of the Congress Republican Woman's Club with the following slate last Monday: Mrs. Suson Cole, first vice president; Mrs. Inez Shaw, second vice president; Mrs. Marguerite Hart, recording secretary; Mrs. Martha Bakkers, corresponding secretary; Mrs. Clifford Carson, treasurer. Mrs. Robinson is one of the founders of the club, and has also been active in community work in San Diego and this area for many years.

The meeting was held at the home of Mrs. Bakkers, Klauber avenue, San Diego, with a showing of the anti-comunist film "Operation Oblivion" presented by the United States National Bank, a vivid picturizing of the recent student riots in San Francisco before the United States Un-American Activities Committee. Also a short talk followed up the picture by Mrs. W. E. Lyon, who suggested the type of literature the members could obtain and the source, covering this vital subject.

The next meeting will be at the home of Mrs. Clifford Carson, 6177 Tooly st., San Diego, and will combine a birthday party for Mrs. Carson, the outgoing president, and a Christmas party.

Poem Used To Inspire San Altos PTA

The theme for the next San Altos School Parent - Teacher Association will be "Song of Christmas." It will be an all Children's Christmas program. It will be held Dec. 15, 7:30 p.m. The fourth grade mothers will be hostesses.

In January the PTA will present a home sewn fashion show as part of the program. This is an ideal Christmas vacation project for the older girls as well as the mothers. This inspirational poem was written by Mrs. Charles Brown.

Choose your patterns, and here we go;
We're going to have a fashion show!
Circle the style that suits your fancy;
Make it straight, or make it "dancy."
Make Simplicity or make McCalls,
A party dress or over-alls.
Make it little, or make it big;
Call it a dress, or a "thingma-jig."
Come one, come all, come young and old;
Show a fashion-it won't be sold!
You have 'til January-lots of time;
And I can't think of another rhyme.

RANCHO PTA HOLDS FIRST MEETING

The newly formed Rancho Elementary PTA held its first offficial meeting last week with a big turnout of members. President Mrs. Allen Gardner started a membership drive with a theme of "Rancho PTA or Bust."

The group agreed to sponsor Cub Scout Pack 356 and Boy Scout Troop 356.

Rancho PTA meets every third Thursday and all Rancho parents are cordially invited to take part in the organization.

Passing of Cmdr. Zeis Marked Here

Funeral services for Cmdr. Alphonse Victor Zeis, USN (Ret.), 58, of 4803 60th st., San Diego, were held last Wednesday at Johnson, Saum and Knobel Mortuary, San Diego. Interment was in Ft. Rosecrans National Cemetery. Rev. Rolan Taylor, pastor of the First Baptist Church of Spring Valley officiated. Cmdr. Zeis passed away November 18 at Navy Hospital after a short illness.

A native of Trenton, N. J., he had made the San Diego area his home since about 1923. He was well known in Spring Valley and La Mesa, having attended many of the Spring Valley celebrations in the past and at one time lived in La Mesa.

Cmdr. Zeis joined the Navy in 1919 as a "boot." He worked his way up to Commander via the machinist's route, spending most of his career on destroyers. He retired in 1950 after nearly 31 years of Naval service.

Survivors include his widow, Ethel; a son, Albert Zeis of La Mesa; a daughter, Mrs. Barbara Spitzer of Allied Gardens; five grandchildren; three brothers and four sisters, all of the Trenton, N. J. area.

Goodwill Hires 187 Handicapped This Year

The Goodwill Industries paid out a total of $275,677 to 187 physically-handicapped workers during the first nine months of 1960, Charles Spisak, of Lemon Grove, the executive director, reported today.

The report mas made recently to the board of directors in San Diego, members of which include Dr. Frank Gigliotti, and Max Goodwin of Lemon Grove.

This amount exceeded by about $19,000 the sum paid out during the same period last year, Spisak said.

Directors also were told that the Boy Scouts during their recent Goodturn day project, brought in a record total of 34,000 Goodwill bags, containing enough household and other goods to furnish 136,000 hours of work for the handicapped.

New Owner for L.G. Shopping Center

NEW MARKET OWNER — Marlin Black, a veteran food store operator, became owner of the Lemon Grove Shopping Center, Main and Pacific, last week. He previously had stores in Lakeside and Poway.

The market is one of the first business firms in Lemon Grove, having been in operation before Broadway crossed the railroad tracks to the east. It was at one time the local postoffice back when well-known business firm of Sonka Brothers operated both the store and the postoffice.

Black, who has spent the past 30 years in the food business, bought the store from Paul Hendrick. Hendrick suffered a heart attack earlier this year. Black said he will operate the market under the present name but would undertake a program of remodeling soon.

The market has a complete meat, grocery, frozen food, produce, and beer and wine departments. The meat section will be managed by Bill Jenny who has managed meat departments for 28 years. He said Wright's pen-fed supreme beef, which is raised in Utah, would be handled. This beef is shipped to El Centro, pen-fed for 90 days to insure extra tenderness and flavor. Prices, he said, would be competitive.

Ray Blackwell, shown above, is grocery department supervisor. He said nationally known brands would be handled and sufficient lines to make it a "truly one-stop food center."

Black said fresh, selected fruits and vegetables from local farms and ranches would be handled wherever possible. The market will distribute S&H Green Stamps and will be open 9 a.m. to 7 p.m. daily. The market will be closed on Sunday.

Matadors Try For Crown Friday

Mt. Miguel's Matadors football team advanced to the Class A Championship Playoffs this Friday night after nipping the La Jolla Vikings, 7-6 Friday night in Aztec Bowl. The Miguel gridders will clash with Vista at Vista for the championship crown.

Halfback Russ Torge scored all 7 points for the Matadors early in the third quarter to overcome a first quarter Viking 6 point tally.

Little Ken Liberty, Viking halfback scored the lone La Jolla touchdown when he scampered 21 yards on a double reverse into paydirt untouched. Fullback John Bennett attempted to run the important point-after-touchdown, but the Miguel defensive line halted the attempted on the one yardline.

Torge's touchdown tally was set-up when halfback Dan Zastoupil raced 51 yards through the right-tackle slot to the La Jolla 12 yardline. On the next play Torge sprinted around the Viking left-end for the 6 pointer. Mt. Miguel decided to run the PAT, and Torge succeeded with the 2 yard dash on the same play as the touchdown was scored.

Fired Up

The Vikings who were fired-up for this tilt threatened to score in the final seconds of the game, but Matador quarterback Doug Wardell snuffed out the rally when he intercepted Viking quarterback Dan Berry's pass on the Matador 5 yardline. From then on the Miguelers stayed on the ground to run the clock out.

In other playoff games, Point Loma's Pointers won the nod over Helix with a 15-8 first down tally. The teams were deadlocked at 6-6, and playoff rules gives the game to the team scoring the most first downs. The loss eliminated the Highlanders from further competition. Escondido, Northern Division champion scored a 19-13 victory over the tough San Diego High Cavers. Escondido quarterback Doug Bennett's passing contributed to the Cougar triumph. Escondido plays host to Point Loma Friday night in the clash for the Class AA big schools championship. Gametime for both tilts in the north county section is 8 p.m.

A 12-year-old show dog trainer, Weston Williams, a Lemon Grove junior high student, and owner of Honeybear's Flash, a nine month old boxer pup, saw his entry take first prize, as Best of Show last Sunday.

The competition was held at the Orange County Boxer Show.

The winner's sire is Noble Knight, an international champion.

Weston is the son of Mr. and Mrs. F. O. Williams of 3836 Harris street.

State Treasurer Snips Open U.S. Bank

MONEY RIBBON—There probably never was a ribbon cutting like this before in Lemon Grove because the ribbon is made of money. Cutting the ribbon is California State Treasurer Bert Betts who lives in Lemon Grove. The event? The opening of the new home of the U.S. National Bank on Broadway at Grove street, opposite the post office. Others in the ceremony are William Paul, M. N. Wilson, Betts, Larry Folda, Arnolt Smith and Arnolt Smith Jr. Folda is president of the L.G. chamber of commerce. Paul is manager of the branch bank. Wilson is president of the banking firm while the Smiths are president of the board, and administrative vice president, respectively.

Betts cut the ribbon in a blank space provided for the purpose. He didn't cut the money. "It would be illegal," Betts said.

LOCAL SCOUT NEWS

Every four seconds throughout the year someone is temporarily disabled by a minor accident in or around his home. More accidents occur in the home or yard than anywhere else, including the streets and highways. In spite of this record, one out of every three home is lacking in one or more of the basic first-aid essentials. Only about one out of five families owns a first-aid kit.

Commenting on this situation, Leonard Hayes, Cubmaster of Pack 47, stated that the Cubs of his groups are meeting a gratifying response from local homeowners to their current "Be Prepared for Accidents" campaign. To raise money for activities, the members are calling on every house in and around Spring Valley, offering a wide selection of first-aid kits for sale. The kits are supplied through Valley Pharmacy, and Gus Gunderson, proprietor.

"Accident preparedness" says Mr. Hayes, "should, of course, take into account both home accidents and accidents away from home. A first-aid kit kept in the kitchen will save a trip upstairs to the bathroom medicine cabinet when a finger is nicked by a sharp knife. It will save steps and time when children come in from play, with hurts to be cleansed and bandaged.

"A first-aid kit kept in the car may prevent a serious infection if some member of the family suffers a minor injury during a trip, when a drug store may be far away. A first-aid travel kit, tucked into the corner of a suitcase, can save worry about infection if the traveler acquires a cut, scrape or scratch while on a train or bus, or in a hotel."

CUBS

"New Worlds" was the theme for Cub Pack 47's November meeting. Den 9 presented a skit in which "dignitaries" from a planet and the moon were introduced to the Cubs.

Cubmaster Leonard Hayes welcomed the following new Bobcats into the Pack: Mike Nawfel, Jim Hobler, Gary Colgate, Joey Ditto, John Lee, Tom Lewis, Westley Trent, and Greg Jones.

Advancing into the Weblos Den were: Ben Small, Brian Nobel, Kenneth Sparhawk, and Richard Sparhawk. Bobby Godley graduated into Boy Scout Troop 47.

Cubmaster Hayes presented the following awards: Danny Kida, Bear badge and a 1 year pin; Joseph Sapienza, four silver arrows; Dan Kellenberger, four silver arrows; Robert Negrete, Bear badge and three silver arrows; Terry Gilliland, four silver arrows; Todd Pickens, 11 silver arrows; Dennis Williams, Bear badge and three silver arrows; Berry Merrill, Bear badge and three silver arrows; Russell Baker, a 1 year pin; Ricky Sparhawk, Lion badge, one gold and three silver arrows; Kenny Sparhawk, Lion badge, one gold and three silver arrows;

Bob Godley, one silver arrow; Brian Nobel, Lion badge, one gold and two silver arrows; Glen Sandoval, Bear badge; Mike Day, one silver arrow; Glen Klein, a 1 year pin and a silver arrow; Ben Small, Lion badge, one gold and two silver arrows; Kenny Lindeneau, one gold arrow; Steve Tresser, two silver arrows; Vincent Collina, Bear badge, one gold and two silver arrows; Tim Tresser, two silver arrows; Tim Gross, two silver arrows and a 1 year pin.

Mr. and Mrs. Jerry Bridgewater have been named the Pack's new flag chairmen. Mrs. Harold Nedza and Mrs. Gary Bobo are the new hospitality chairmen.

Before leaving, committeemen Hank Bauer reminded everyone that the Cubs are still selling a variety of first aid kits. He said that in addition to being a necessity in the home, these kits are also useful gifts.

Around Our Valley:

News and Views from Spring Valley

By Tommy Thomas

With all this talk about local government for the Spring Valley area, it is necessary to get the opinions of various residents. The following are opinions of persons picked at random.

Frank Loko of 3412 S. Bonita, says, "We should stay away from La Mesa. I think it would be better to annex to San Diego where we would have better police protection for our taxes. As far as Spring Valley incorporating, I haven't given that too much thought."

Says Ralph Philipp of 9541 Montemar, "We shouldn't incorporate. Lemon Grove is an example of trying to incorporate. There has been two attempts to incorporate and both elections were lost. Should Spring Valley incorporate it would mean many city employes and higher taxes. We should stay as we are. . .under county government."

Mrs. J. C. Eldridge of 8707 St. George st., says, "I believe if we would incorporate we would get something done. I am against annexing with La Mesa or amalgamating with Lemon Grove. I don't think we should annex to San Diego because we are too far out. My husband and I have friends in Lomita Village, which is part of San Diego. They say they are very dissatisfied because they are too far out from town. Yes, I think we should incorporate."

Mrs. Anna Foster of 921 Gillespie dr. says, "Amalgamating with Lemon Grove seems logical. I haven't studied too much about annexing with San Diego, but I believe we'd have higher taxes if we did. We should stay by ourselves. We don't want to lose our fire department. But we do need more police protection. There is much destruction going on here with too little policing. I think we can afford to incorporate. I'll help all I can."

Mrs. Walter Jufer of 9454 Campo road, says, "I don't suppose our taxes would be any higher if we annexed to San Diego. But offhand I think we can carry our own if we'd incorporate. Spring Valley is a proud community and we can weather anything that is thrown at us."

Mrs. H. A. Aab of 9255 Brookside court, says, "We shouldn't go in with La Mesa. About annexing with other communities, I don't know. It is better, I think, that we stay by ourselves and remain known as Spring Valley."

Diane Blair, a 15-year-old Mt. Miguel High School student, is of the opinion that "We should stay as we are. If we go in with Lemon Grove we would have too big an area. We are developing our own shopping centers which will be close to home. We have good schools here but we do need another junior high school."

Mrs. Elton Card of 840 Elkelton drive, says, "We should stay as we are. Regardless of what happens we should stay as the community of Spring Valley."

Several new members of the S.V. Chamber of Commerce were voted in recently: Mr. and Mrs. William Fitzpatrick of 9940 Sierra Madre; Mr. and Mrs. Norman Mowery of 224 Helix st.; Whitey Cross of the Cross Const. Co., Olive dr. California Insulation Co., 315 Bancroft dr.; Mr. and Mrs Tony Peceroni of the American Cleaners, Campo rd.; Mr. and Mrs. Ralph Doty of the Spring Valley Pet Shop, Campo rd. Mr. and Mrs. Wally Johnson of Builders Supply and Equip. Co. Campo rd., and Mr. and Mrs Glenn Lyer of the Lyer Realty Helix st.

Mr. and Mrs. (Ronnie and Eileen) Smith of 3020 Bancroft dr., are very appreciative of all the cards, letters and prayers received and extended, after the recent passing of Eileen's mother, Sarah Grace Golden.

Mr. and Mrs. (Joseph and Mary) Jeffress (she has the Mary Jeffress Realty on Campo road) have just returned from a two weeks vacation in San Francisco. Joe was born there on Knobb Hill, later moving to Nebraska, and then Arizona. The Jeffress came here from Phoenix in 1934.

Their 'Frisco vacation included a visit to their daughter's (Mrs. Robert Summer's) home at Walnut Creek and to see other friends and relatives whom they haven't seen in six years. But, the Jeffress' said, "There's no climate like Spring Valley's."

—o—

For the many local friends of Mrs. John (Helen) Hilliard of Camino Paz drive, she is in St. Vincent's Hospital in Los Angeles, ready for heart surgery. She would appreciate cards and letters. Her address is Room 341A, St. Vicent's Hospital, Los Angeles 57, Calif.

—o—

A word of thanks to a former Spring Valleyite who has moved to La Mesa. . .Mrs. Edith Tozer. It was she who loaned the Chamber of Commerce the flag that was over her husband's (the late Ben Tozer's) casket. The Chamber used the flag for opening ceremonies, etc. until recently, when a new 50-star flag was purchased. It's people like Edith who make our lives thankful ones.

—o—

Four birthdays are reported. Nov. 27—Mrs. C. M. Powell, 3255 San Carlos.

Nov. 28 — Jennie Warmer, 10341 Toledo rd.

Nov. 29—Mrs. Gene (Dorothy) Benson of Casa de Oro; and Raymond Waterman, 3642 Fairway dr., Brookside.

—o—

If you happen to be down south Spring Valley way stop by Gillespie and San Francisco streets and gander at the new Spring Valley fire station being erected. Looks like a nice job.

—o—

Also the new high school on Sweetwater Spring blvd., is on its way. Progress and more progress in S.V.

—o—

Ann Mathewson, daughter of Mr. and Mrs. Phillip Mathewson of 9565 La Mar st., Spring Valley, is among seven students at Eastern New Mexico University who were recently initiated into the campus Home Economics Club.

Miss Mathewson, a 1960 graduate of Mt. Miguel High School, was active in the Lemon Grove-Spring Valley 4-H club and won many awards for her exhibits.

—o—

In giving thanks this Thanksgiving Day, I wish to pay tribute to a great lady who recently passed away. . .Mrs. Sarah Grace Golden, a resident of Spring Valley for 35 years and a wonderful worker in all the civic affairs. She and her husband, the late Frank Golden, were two of the charter members of the S.V. Chamber of Commerce and did a lot of the initial work on the building. It was through her efforts that the S.V. Welfare Society came into being and which has been a "guardian angel" to many needy families in Our Valley.

Yes, I, along with the entire community, pay tribute to a great lady. . . . .Sarah Grace Golden.

Newsman Writes Light History of SD

"This is Heaven?", a humorous personal history of San Diego by Spence Held, former San Diego newspaper reporter and editor, was put on sale in book stores last week.

The 55-page book covers some of San Diego's early history with a touch that runs from light to hilarious. As is possible only by a good reporter and a keen obsrever, some of the little events of yesteryear are brought into sharp focus to the enjoyment of the reader.

Held was a reporter for the Evening Tribune for 23 years and edited the weekly Peninsula News during 1954-58.

"This is not a stuffy history book," he said. "It's mainly a collection of humorous incidents which I encountered during my newspaper career. However here is a brief historical prologue—covering the period from Cabrillo to Joe Dryer and his Heaven-on-Earth Club — and a chapter on the Battle of San Pasqual."

For this chapter Held and his wife, a high school teacher, did research in six libraries, including the Huntington, Princeton University, and the Library of Congress.

There are humorous incidents involving the nudist colony at the 1935 Exposition, the U. S. Navy, Tijuana, Ensenada, famous phonies, and famous people like Eleanor Roosevelt, Charles A. Lindbergh, Albert Einstein and Dwight D. Eisenhower.

Rumrunning and speakeasies during Prohibition, sensational murder cases, and behind-the-scenes political stories provide a wealth of anecdote . . . A fight between cops and Communists and an egg-and-tomato-splattered meeting of the German-American Bund, before World War II, add further comedy.

"The Battle of San Diego" during the war is worth a chapter in Held's book . . . In fact, there is something for everybody—from football fans to egg-heads—and some good photos illustrating various episodes.

The book sells for $1.50.
